The Power of Positive Mindset

I want to talk to you about something that has the power to change your life—The Power of Positive Mindset. We all face challenges, we all go through moments of doubt, fear, and failure. But we can make a difference between success and failure by how we choose to think. A positive mindset doesn't mean ignoring problems. It means to see opportunities instead of obstacles, lessons instead of failures.

Think about some of the most successful people in the world—Elon Musk, Steve Jobs, Bill Gates, Ratan Tata, Thomas Edison and many more.

Each one of them failed, but they didn't let those failures define them. They chose to see failure as their first step towards success. They always believed in themselves, even when no one did. Your mind is your most powerful tool. Fill it with positivity, determination and belief and you will achieve more than you imagined.

Let's take an example—Two students are preparing for an exam. One says, "I'm terrible at this. I'll probably fail." The other says, "It is going to be difficult but I'll do my best." The one who believes in himself, has a better chance of being successful. Change your mindset, and you just might change your life. Surround yourself with positivity, turn your failures into lessons, Take action!

"Setting goals is the first step in turning invisible into visible."

THE BACKBONE OF OUR OFFICE

SILENT PILLARS OF STRENGTH

APRIL MONTH ACTIVITIES

Children celebrated Earth Day with excitement. They coloured scenes of nature, and sang joyful songs. With tiny hands and big hearts, they promised to keep our planet clean and bright every day!

MUSICAL SIT-DOWN

(Pre-Primary Wing)

“In every game, effort counts more than the score.”

Our Pre-Primary students had enjoyed playing musical chairs, enhancing their motor, auditory, and social skills. Through laughter and movement, they showcased teamwork and sportsmanship, truly learning the joy of play.

JUICY LEARNING ADVENTURE

“Let food be thy medicine and medicine be thy food.” — Hippocrates
Our young learners explored the colors and flavors of watermelon, made cheerful crafts, and shared juicy slices with friends. Fun and laughter blended with lessons on good health in this vibrant refreshing engagement.

हिंदी कविता प्रतियोगिता

A mother's love is warm and endless. Little kids enjoyed reciting simple poems about “Maa” that shows her care and kindness. As one poem says, “माँ सब जानती है, तुझे खुद से भी ज्यादा पहचानती है” (Maa knows everything, she understands you more than yourself). These poems help children to express their love for their mothers beautifully.

Citrus Symphony

“The smallest joys bring the sweetest memories.”

The Pre-Primary wing recently celebrated the refreshing Citrus Symphony activity. The little learners enjoyed exploring the tangy flavors while engaging in sensory play and fine motor skill practice. This joyful event sparked curiosity and teamwork, making a delightful experience. It was a sunny celebration filled with nature's zest and childhood wonder.

Balloon Relay Rush

“Play teaches us more than the books ever can.”

The Balloon Relay Rush by our tiny - tots focused on enhancing children's coordination, balance, and teamwork. This fun-filled event emphasized physical fitness and encouraged cooperation among participants. It provided an excellent opportunity for holistic development in a joyful and engaging environment.

CELEBRATING THE POWER OF WORK

“All labour that uplifts humanity has a dignity and importance.”

On Workers’ Day, our school witnessed heartfelt gratitude to its dedicated staff whose tireless service sustains the school each day. The celebration reminded all that every task, done with devotion, is a true act of nobility.

SHINING BRIGHT, LEADING THE WAY

“The measure of a man is what he does with power.” — Plato

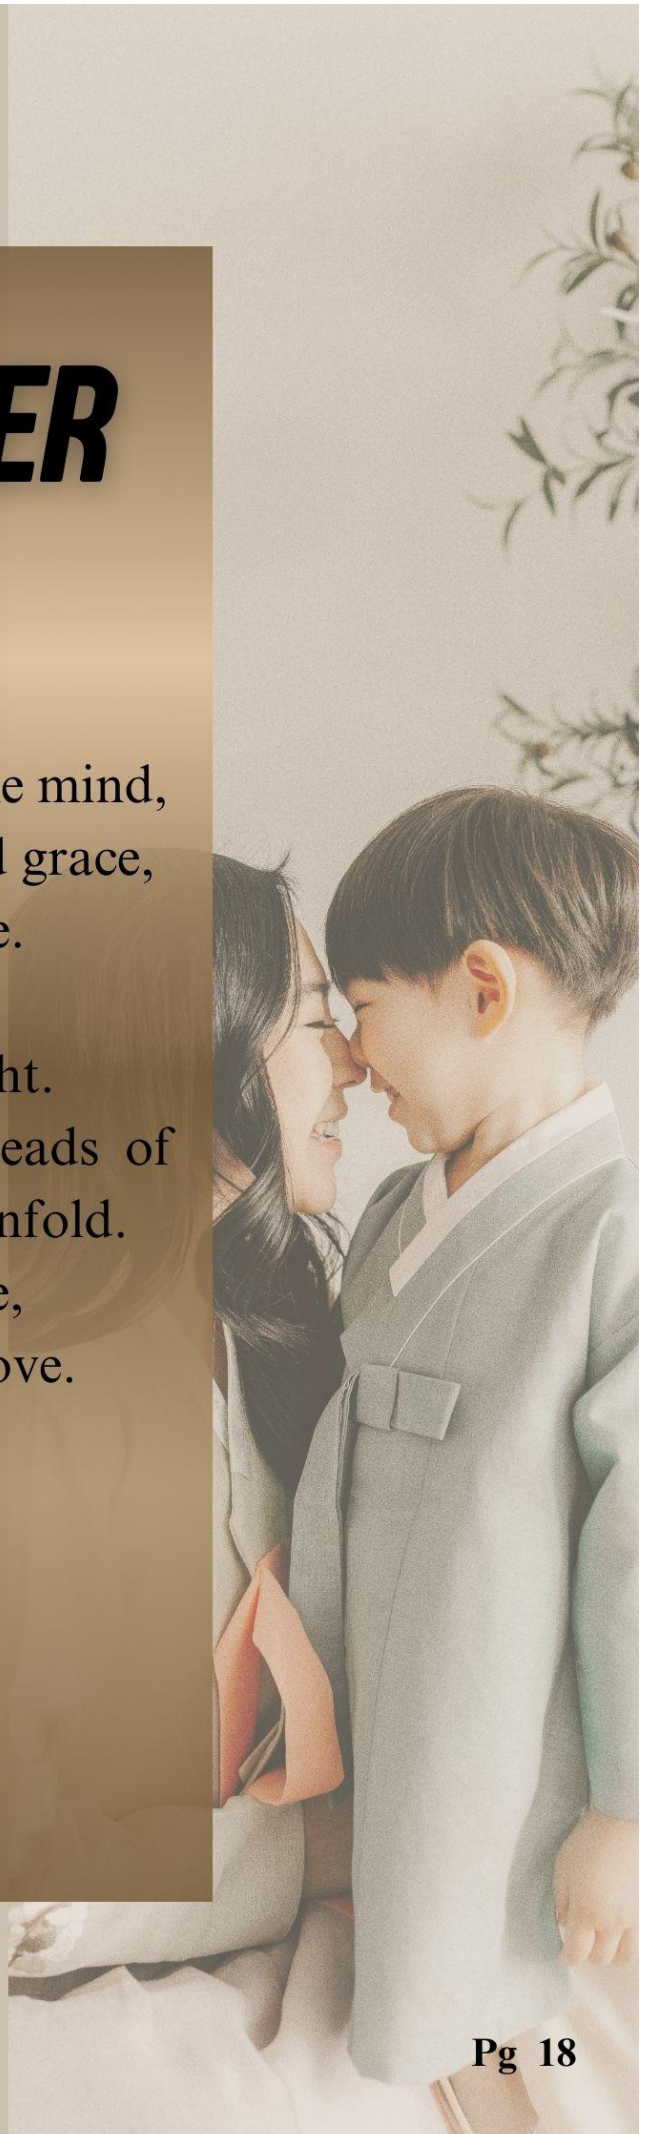

The Investiture Ceremony was solomonized by Rev. Fr. Thavamani (Principal). New leaders accepted their duties with resolve and honour. With wisdom as their guide and strength in their hearts, they pledge to serve their brethren and uphold the noble principles of the school. May their leadership shine as a beacon to all within these hallowed halls.

ODE TO MOTHER

Her Voice, so soft and mild,
That uplifts the soul and calms the mind,
Her eyes reflect both strength and grace,
A world of love shines on her face.
A gentle hand, a guiding light,
A heart that loves with all its might.
She weaves our dream with threads of
gold, her stories warm her arms enfold.
No gold can match, no star above,
The endless depth of a mother's love.
In her heart, we always find,
The purest soul, the truest kind.

समय की तेजी

“समय रुकता नहीं, पल गुजरते हैं।”

बचपन के खेल, हँसी के गीत,
दिन गुज़रते हैं जैसे शीशे की प्रीत।
गली के मोड़, दोस्तों की बातें,
हर लम्हा सिखाता, हर घड़ी कहती,
समय रुकता नहीं, पल गुजरते हैं।

कक्षा की घंटियाँ, होमवर्क की रातें,
परीक्षाओं की चिंता, किताबों की बातें।
हर पन्ने में छुपा है नया सबक,
हर याद में बसी है पुरानी सीख।
समय रुकता नहीं, पल गुजरते हैं।

सपनों की उड़ान, आने वाले कल की चाह,
दोस्ती, हँसी और कभी-कभी थोड़ी थकान।
हर दिन नया, हर पल अनमोल,
हर ख्वाब में छुपा है ज़िंदगी का रोल।
समय रुकता नहीं, पल गुजरते हैं।

यादों की तस्वीरें, स्कूल की वो कहानी,
बीते कल की मिठास, और आने वाली रवानी।
हर सांस की गूँज में, हर धड़कन में बसी,
ज़िंदगी के रंग, और खुद की कहानी।

हर ख्वाब की राह में, हम खुद बदलते हैं,
समय रुकता नहीं, पल गुजरते हैं।

BLESSING CEREMONY OF COMPUTER LAB (SENIOR)

The blessing of our Senior Computer Lab was not just the inauguration of a facility, but the opening of countless doors to curiosity, creativity, and discovery.

**As T.S. Eliot reminds us,
'Every moment is a fresh beginning.'**

May this lab be the place where fresh beginnings of knowledge and innovation take its root.

SPARK OF IDEAS

“A picture is a poem without words.”

– Horace

Our school recently organized a vibrant Science and Art Exhibition that beautifully showcased the innovative and creative talents of our students. The event provided a wonderful platform for learners to present their scientific experiments alongside artistic masterpieces, sparking imagination and curiosity. This exhibition was a celebration of creativity, knowledge, and the spirit of inquiry within our school community. The exhibition was highly appreciated by the parents.

RECOGNITION DAY

Recognition Day was a proud celebration of our academic brilliance, where the achievements of students from Nursery to Grade 9 and Grade 11 were honored with great joy and admiration. The event stood as a testament to their dedication, persistence, and love for learning. As the saying goes, 'Excellence is never an accident; it is the result of high intention, sincere effort, and intelligent execution.' Our young achievers truly embodied this spirit, making the day one to cherish and remember.

DEMOCRACY & THE POWER OF VOTING

Democracy is not just a word; it's an idea that gives us freedom and responsibility. It allows every citizen to have a voice in shaping the nation. The true beauty of democracy is not only in laws or systems but in people, when they participate and make their voices heard.

The most important way to take part in a democracy is voting. Many people think one vote doesn't matter, but every vote carries the hopes and dreams of families and communities. Each vote sends a message: "I care about my country and its future."

Voting is both a right and a responsibility. Just as we would not want others to make personal choices for us, we should not let others alone decide who will govern us. Ignoring this duty means giving up control over our own lives.

History shows that many brave people sacrificed their lives for the right to vote. Remembering their struggle makes us value this privilege even more.

Democracy works only when people participate honestly. By voting, we can demand better roads, schools, safety, and leaders who represent us. Every vote counts. Democracy depends on us, and it begins with one simple step: casting our vote.

माता-पिता का प्यार

भगवान का सबसे प्यारा उपहार,
माता-पिता का अनमोल प्यार।
सिर झुका कर करूँ मैं नमन,
उनके बिना सूना है जीवन।

थक जाएं जब जीवन के पाँव,
माता-पिता बनते हैं गाँव।
गले लगाकर सभी दुख हर लें,
आँखों में सपनों के रंग भर दें।

पिता सिखाते हिम्मत से जीना,
मुश्किल में भी ना पीछे हटना।
माँ है ममता का रूप,
पिता है भगवान स्वरूप।

“School Days”

A hallways bright, where laughter flows ,
A world of knowledge , you mind grows .

With every step , a new tale spun ,
of dreams and hopes , forever won

In classroom's warmth, a heaven true,
Where teacher guide, and wisdom shines through

Lesson learned, and memories made,
In friendship forged and movement displayed

In school's boarding maths class, we try to find our way
Through trials and errors, we seized the day

Learning and playing, making friends
that shine Teacher guides us, with love and care,
Helping us grow, with knowledge to share.

We laugh and play in classroom bright ,
Making memories, that last through the night

With books and pencil, we learn and grow
Discovering new things and so much more

We will miss these days, forever in mind,
And the friends we made, one of a kind.

ARTISTIC HAND CREATE WONDERS

The Crowded Silence

In a room where voices dance in the air,
I sit alone, though people are there.
A hundred messages blink on my screen,
Yet none can hear what my silence means.
We share our smiles with a filtered face,
But miss the warmth of a real embrace.
The world is noisy, the feeds never rest,
Yet the heart longs quietly for someone
who's genuine, not just "best."

Loneliness has no shadow, no sound,
It hides in crowds, where no eyes look around.
It isn't the dark, nor the empty street,
It's the handshake missed, the eye that won't meet.
And yet—hope lives in a gentle word,
In laughter shared, in kindness heard.
For though this silence feels heavy, long,
The cure is simple: where hearts belong.
So put the phone down, just for a while,
Speak face to face, not in digital style.
For the greatest gift, fragile yet true,
Isn't a "like or share" ... it's simply me and you.
